SES PETITES MAINS TINY CHIC CLOTHING

Homebase: San Francisco, CA

DESIGNER: Beth Miles

Sizes: Girls 12 months to 8 years; Wholesale prices: \$26-\$60

Another terrific collection from Miles. Lots of unique shapes, special jackets and a great Gibson Girl inspired blouse and dress design.

Outstanding piece: Three reasons to love this collection: The old fashioned design of the blouse that manages to look modern; the cut of the sailor pants; and the shape and fabric of the dirndl. Great silhouettes, wonderful colors, lovely textiles. What more do you want?
